Dear Lafayette County Market Goat Exhibitor:

Market Goats will need to purchase a RFID Tag – and weigh in at the fair. The Grand and Reserve Market Goat will be allowed to sell at the 2020 Lafayette County Fair.

Due to COVID-19, we will not be handing out tags until the end of April (or after the “Safe at Home” order is extinguished – if that is earlier). We will let you know as soon as we have a date for you to stop into the UW-Extension Office and pick up your tags. Your completed paperwork will be due back to the UW-Extension office by May 22, 2020.

Each exhibitor will be responsible to identify their own market goat(s) this year. You will need to stop into the UW-Extension Office and pick up the tags needed for each market goat (limit 4 tags per exhibitor). **To help cover costs, there will be a \$2.50 per tag cost to each exhibitor. Please make checks payable to: LCLC.** You will be responsible to put the tags in the ears and return the required paper work to the UW-Extension Office by May 22, 2020. If you need to purchase a tagger (at cost) please contact Center Hill Veterinary Clinic.

Please review changes to the Lafayette County Fair Book at the website:

YQCA training is required each year by any exhibitor that wishes to sell at the Lafayette County Fair Auction. Please visit <http://yqca.org/> to learn more about the online classes for youth livestock exhibitors. Online YQCA is on sale for the month of April for \$9.00. If you are interested, please visit the Lafayette Extension Website for details.
